

Who is NetAlly?

Since 1993, we have been the #1 ally of network professionals worldwide. We began by making the world's first handheld network analyzer and have continued as industry pacesetters, setting the standard for portable network testing. We are a company founded by engineers, passionate about innovation, and motivated by one purpose: to create the best test equipment possible, designed with your success in mind. Period.

Our leading edge tools work hard to get the job done fast by...

- **Simplifying the complexities of networks**
- **Providing instant visibility for efficient problem solving**
- **Enabling seamless collaboration between site personnel and remote experts.**
